Please provide open, candid responses to the following questions. Take your time thinking through these – the more complete and honest the response, the better. Remember, your responses are confidential and never be shared with people outside of my self and my team. This exercise is for your own clarity and to help me better understand your world and how you think and act within it. Take your time, but keep your answers limited to the space provided, and enjoy the process. The journey of a 1000 miles begins with the first step.
